

JOB DESCRIPTION

Installation Engineer

SALARY UP TO £35,000 D.O.E. | FULL TIME | PERMANENT | 40 HOURS
MONDAY TO FRIDAY | OVERTIME AND CALLOUTS AVAILABLE

ABOUT US

PFS Security Systems Ltd is a family owned security company.

Established in 1989, we have continued to expand to become one of the major NSI Gold approved professional security system installers in the South West; providing security solutions to Swindon, Oxford, Reading, Newbury, Bath, Bristol, Gloucester, and the surrounding areas.

As a family and close-knit business, our domestic and commercial customers enjoy a consistent security service on a personal level.

Since PFS was founded, we have built up an excellent reputation based upon our customer support and high quality, reliable systems which are tailored to each property's requirements at a competitive price.

ROLE OVERVIEW

To install, commission and handover electronic security systems, providing a first class service throughout their duties and maintaining the highest standards.

MAIN DUTIES

- Installation, commissioning and handover of electronic security systems
- Working within, and adherence/compliance to, all Health & Safety standards, PFS quality system procedures and NSI engineering standards
- To liaise/communicate any variances found/requested by clients to their co-ordinator
- To project manage workload as requested by their co-ordinator
- To accurately record all information including commissioning results
- To diagnose system faults and audit work done by others
- To manage tasks and report via mobile and emails
- To provide after-hours callout support via a rota system
- To carry out any other duties requested that are appropriate for their skill set

SKILLS REQUIRED

- Health & Safety training records
- Proven background through an apprenticeship or similar qualification
- Relevant sector experience/qualifications
- Full UK driving licence
- Must be able to pass a CRB/DBS check

ABOUT YOU

- IT hardware/software experience/qualifications
- Pro-active problem-solving abilities
- Able to work alone or as part of a team
- Excellent communication skills
- Excellent time keeping
- Strong customer service skills
- Ability to train/inspire/mentor apprentices

BENEFITS

- Competitive salary based on experience/qualifications
- Competitive annual holiday allowance
- Auto-enrolment pension
- Vehicle provided
- Phone/laptop/tablet provided
- Callout allowance provided
- Career progression opportunities
